

Welcome to **THE OJAI FOUNDATION**

We are delighted to have you join us and would like to provide further information so that your stay with us can be as enjoyable as possible. If this is your first visit to The Ojai Foundation, we hope you will be pleased by the rustic and beautiful diversity of the Land. Please take time to read through the following:

FOOD

The Ojai Foundation keeps a vegetarian kitchen. You are welcome to store snacks in a plastic bin stored in the kitchen area. Please leave the kitchen (and all spaces) cleaner than you found them, and make sure that food scraps are composted and that recyclables are in the correct place. Please do not store any food in your dwelling space. Other kitchen guidelines will be supplied for you and your group as appropriate. Thank you.

LODGING

If you are staying on the land, your accommodations will be in shared yurts and/or domes, unless you have reserved a single space. Some of the sleeping spaces have futons on frames, and others are supplied with sleeping pads. Toilets and showers are located in the central areas.

WEATHER

Be prepared for variable weather. It can be cold in the evenings. We suggest you bring a sweater, jacket or blanket for the evening. For programs scheduled between November and April, bring rain boots and jacket. Many times the earth itself and the weather are as much our teachers as the faculty!

WHAT TO BRING

- Bedding (sleeping bag or sheets/blankets and a pillow)
- Towels and personal toiletries
